

# DANCE?

## Want to learn?

Amanda is starting her second semester classes only on Wednesday night in Tap and Learning Styles (ballet, jazz, modern, and Lyrical-alternating each week). **Because of her Nursing School Schedule she will not be able to teach any beginner classes this semester.**

Lessons are paid for in advance every 4 weeks. If the instructor has to miss, it is his/her responsibility to reschedule at a time convenient to the student. If the student misses a lesson for whatever reason, it may or may not be made up depending on the instructor's time. Failure to give 1 days notice for an absence means you forfeit the cost of the lesson and it will not be made-up.

When you register for classes you will agree to have your child take for 3 months. **Payment is due the 1st class of each month.**

Each class costs \$10. Make checks payable to CYC or Charleston Youth Company. Cash and credit card accepted. (

**Classes are open to current CYC members-Senior Company and non-company members who have some skill in tap and dance.**
